

You are invited...

The Brain Injury Network of Dallas (BIND) provides tools and a bridge of support to adult brain injury survivors across DFW so they can reconnect into life, the community, and the workplace. This year we celebrate 10 years of serving North Texas. Please join us for our Anniversary Gala!

BIND is a Brain Injury Clubhouse that helps adult survivors of stroke, traumatic brain injury and brain cancer recover and rebuild healthy, productive lives. Members are adults age 18 + from diverse backgrounds. Together they work to strengthen and regain physical health, manage emotional and mental health, and restore financial independence. We serve brain injury survivors across North Texas in person and with virtual services, referrals, and resources. BIND is the only Brain Injury Clubhouse in Texas and we are adding a Fort Worth location in 2022.

The BIND 2021 Gala, our signature fundraiser, will be held on Saturday, October 23rd at the Marriott Dallas Quorum hotel. The evening will feature an extensive silent auction, wine pull, live music, photo booth fun, a delicious dinner, dessert, and powerful program. A special part of the event includes the presentation of the 2021 Goodman Award. The award is given in honor of the late James (Jim) Michael Goodman, a founding member of BIND. Jim worked tirelessly to give fellow survivors a voice and to show others that persons living with a disability due to their brain injury are like anyone else, deserving of dignity, respect, compassion, and the opportunity to prove their value as members of our community.

There are many ways to support BIND through the 10th Anniversary Gala. Connect with us today to become a sponsor, sign on as a table host, purchase tickets, make a donation, provide an honor or memorial gift, or donate an auction or wine item. Our auction items and wine pull will be featured pre-event online, and our auction donors will be recognized online and at the event. I am grateful that you are considering partnering with BIND through our 10th Anniversary Gala. Our Members, staff, volunteers, and I hope to welcome and thank you in person to our milestone celebration in October.

Sincerely,

Valerie Gotcher, MS, CCC-SLP

AUCTION CONTRIBUTION FORM

Your support restores purpose, fuels hope, & reconnects brain injury survivors to the community. Thank You!

Our mission at Brain Injury Network of Dallas is to provide tools and a bridge of support to adult brain injury survivors so they can reconnect into life, the community and the workplace. Our vision is to lead the DFW area in providing member-driven services and serve as the model for Brain Injury Clubhouses across the state of Texas. BIND focuses on reducing the severity of depression, increasing return to gainful employment or productive community volunteering, and improving quality of life for those affected by acquired brain injury.
